

## 2019 ANNUAL CAR SHOW

Well Tropical Storm Nestor decided that October 19 would be a good time to spread some wind and rain across Florida and unfortunately impacted our planned car show that same day. We did show up at the venue to see if anyone would show up despite a very unpromising weather forecast. By 9:30 am a few diehard car enthusiasts did show up, a very nice 1964 Corvaire Ramp side truck and Tom Burtch brought his 1937 Coupe between rain bands.

**Our sandwich boards that we had made for our show and for any other member who would like to take it to other shows for recruitment.**
